

IEEE Dayton Section

Region 2

Dr. Erik Blasch

18 Sept 2008 – Quebec City, QB

Dayton Summary Activities

- **IEEE NAECON Conference**
- **Monthly Meetings**
- **Active Chapters with Meetings**
- **Senior Member Call**
- **Development of DAGSI**
- **Cooperation of Base, Universities, Outreach**

IEEE NAECON Conference

- <http://www.naecon.org/>
- 60 Papers
- 7 Tutorials
- Contest
- Preliminary Speakers
- Sponsored by WPAFB and IEEE

Monthly Meetings

- <http://www.ewh.ieee.org/r2/dayton/>
- Miami Valley Consultants Network Meeting Monthly at the Engineers Club of Dayton.
- Please RSVP
The meetings of the Miami Valley Consultants Network are held at 11:30 am on the second Friday of each month, at the Engineer's Club.
-
- We will discuss topics that will help members market, sell and complete consulting assignments.
- *Please make reservations at 937-228-2148.*

Active Chapter Meetings

- <http://ewh.ieee.org/r2/dayton/meetings.htm>
- Annual Banquet
- BMES
- Computer Society and ACM
- Joint Meeting for: AP/IGARS/MTT/SP
 - Antennas & Propagation (AP),
 - IEEE Geoscience and Remote Sensing (IGARS),
 - Microwave Theory and Techniques (MTT), and
 - Signal Processing Society (SP).
- Joint IEEE Meeting for: PE/IA/PE
 - Power Engineering Society / Industry Applications Society / Power Electronics Society
- AES

Senior Member Call

- Senior Membership
- [Become a Senior Member!](#)
- **COME TO THE SENIOR MEMBERSHIP UPGRADE MEETING**

**Wright State Univ. Russ Engineering Center
Lobby, Park in a pay lot. Your parking pass will
be validated. Sit back and relax as our
experienced Senior Members evaluate your
resume and complete your application on**

Development of DAGSI

- <http://ewh.ieee.org/r2/dayton/Chair.htm>
- MAY 2008
- We had an excellent IEEE Dayton Section Banquet, my congratulations to our committee members, organizers, and our IEEE Dayton Chapters. Specific thanks go to Dave Perez, Barbara Moore and Frank Palazzo. Maj General (retired) Louis Ferrano presented an exceptional insight into leadership skills versus management skills, keeping the audience on the edge of their chairs (in terms of interest) during his presentation with strong question interaction at the end. We had a really nice turn-out for the Science Fair and Day winners, with a keen interest in their projects from our Dayton Section members, we again wish to thank the students for their efforts and academic endeavors over this last year, to represent the Dayton area with such a strong display of talent.

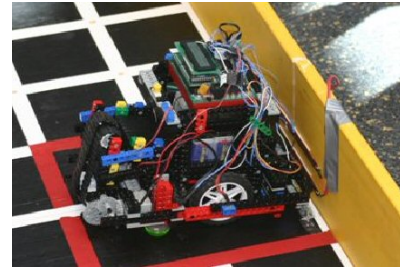

Development of DAGSI

- **SEP 2008**
- The IEEE Dayton Section hosted a successful “kick-off” for the first of a series of the “**Expert Now modules**” for the May Day Festival at Wright State University. We have currently 39 modules to choose from, which will only be free this year to the IEEE Dayton Section. Please note that in 2009, we will have to pay for these short courses, per person attending. We plan to start presenting new modules both at Wright State University and the University of Dayton, starting the first week in October and continuing until December. Information will be available on the IEEE Dayton Section website. We are sending two IEEE Dayton Section representatives to the IEEE Sections Congress, hosted by Quebec City, Quebec, Canada, on 19 - 22 September. The IEEE Sections Congress 2008 is a triennial gathering of section leadership sponsored by the Member and Geographic Activities Board. It is the only major IEEE meeting that convenes the IEEE's grassroots leadership to share ideas, concerns, and solutions. Dr. Erik Blasch (Air Force Research Laboratory) and Dr. Kenneth Hopkinson (AF Inst. of Technology) will be attending.

Base/University/Outreach

- Base Employment/Summer Program
- WSU/UD/Cedarville

- The conference hosts a Leadership Training Workshop, where members of IEEE participate in a workshop to
- Cedarville/WSU – AUVS contest
- Industry Days
- DAGSI Scholarships
