

# Delaware Bay Section

About 800 members

500 with Email

About 50 locally active members (attend meetings)

Newsletters and information via Email and web page at [iee-del.org](http://iee-del.org) but changing to IEEE sponsored web site and mail server. Using the IEEE ListServer to send EMails

Changes in committee since last report in April 2009. Dr. Ken Barner, liasion with University of Delaware is now EE Department Chair.

Also, Dave Young, teaching the Power courses at UD, is now student advisor. These changes are expected to allow closer relationships with the student chapter.

## Delaware Bay Section....Doug Tipton

Active Section and 2 rebate correct society chapters

Ongoing projects:

Currently trying to hook up GOLD members with UD graduating class as a project to get a GOLD affinity group active.

Working on how to get a pre-university program going.

Working for a way to get more activity in the Univ Del Student Branch
