

IEEE Cleveland Section

2009 Events

Vector Network Analysis 101 (Akron)

Date:

March 9, 2009

Location:

University of Akron

Attendance:

Members – 21

Guests – 22

Total – 43

Speaker:

Tim Brennan, Agilent Technologies

Hosts:

IEEE CLE Chapter

Antenna and Propagation Society

Electron Device and Microwave

Theory and Techniques Society

University of Akron IEEE Student

Chapter

Agilent Technologies

Vector Network Analysis 101 (Cleveland)

Date:

April 2, 2009

Location:

Case Western Reserve University

Attendance:

Members – 24

Guests – 19

Total – 43

Speaker:

Tim Brennan, Agilent Technologies

Hosts:

IEEE CLE Chapter

Antenna and Propagation Society

Electron Device and Microwave

Theory and Techniques Society

CWRU ETA KAPPA NU

Agilent Technologies

Applications and Trends in RF MEMS

Date:

April 21, 2009

Location:

Case Western Reserve University

Attendance:

Members – 17

Guests – 27

Total – 44

Speaker:

Héctor J. De Los Santos Ph.D
NanoMEMS Research, LLC
Irvine, California, U.S.A
(IEEE Distinguished Lecturer)

Hosts:

IEEE CLE Chapter
Antenna and Propagation Society
Electron Device and Microwave
Theory and Techniques Society
CWRU EECS Department

Autonomous Vehicles and the DARPA Urban Challenge

Date:

May 28, 2009

Attendance:

Members – 21

Guests – 3

Total – 24

Speaker:

Prof. Wyatt Newman,
team leader Team Case

Location:

Case Western Reserve
University Farm

Wind Energy Technology and Its Adoption by Industry and the Public

Date:

August 20, 2009

Location:

Case Western Reserve
University (CWRU) Farm

Speaker:

Dr. Larry A. Viterna,
Technical Director, Great Lakes
Energy Institute at Case
Western Reserve University

Attendance:

Members – 87
Guests – 39
Total - 126

Hosts:

IEEE CLE Chapter
IEEE CWRU Student Branch
IEEE CLE Power and Engineering
